

Catalog Year
2024-2025

This document is designed as a guide for students planning their course selection and is only a suggested schedule. Actual course selections should be made with the advice and consent of the academic advisor. While accurately portraying the information contained in the University Catalog, this form is not considered a legal substitute for that document. Students should become familiar with the Catalog in effect at the time in which they enter Milligan.

MINIMUM 128 NEEDED FOR GRAD		128

¹ BIOL 250/251 are not required for Biology major but are recommended for pre-medical students and/or students seeking the Human Anatomy and Physiology minor

² MATH 211 is required to take physics at Milligan; if you don't choose to take Calculus-based physics, then MATH 213 Statistics is recommended.

³ Milligan students will take an ethnic studies course before graduation, see advisor or catalog for details.

NOTE: BIOLOGY Majors must take a minimum of 50 biology and chemistry course credits

Depending upon a student's post-bacc plans, other courses may be required for admission to graduate programs, so consult with your adviser.
