Parent & Family Resource Guide

Parent Council
The Milligan University Parent Council strengthens the relationship between the University and parents, thereby enhancing student life at Milligan. Our goals are to help the University maintain and enhance effective communication with parents and to provide prayer support for students and staff.

Hugs from Home
Send your son or daughter a care package. The Associated Ladies of Milligan (ALM) offers parents the opportunity to purchase a Hugs from Home gift package. These creatively themed gifts are prepared for your student: a full year (4 gift bags) for $100 or $60 for one semester (2 gift bags). Proceeds from this fundraiser benefit student scholarships at Milligan. The Admissions Office will send you more information this fall.

FERPA (Student Privacy)
Parents are not automatically granted access to information about their student's education record. The Family Educational Rights and Privacy Act (FERPA) is a federal law that assigns certain privacy rights regarding their educational records to students who are 18 years of age or older or enrolled in post-secondary institutions. Students can authorize access for their parent(s) to their education records and allow oral and written communication with university personnel by completing an authorization form as part of the online check-in process. Visit milligan.edu/ferpa to learn more.
